- **What skill sets or superpowers do you have that will further CAMBA's vision and mission?**

I'm sure you get this a lot, but I'm a Type A personality. I am detail oriented and love organizing. I am happy to work behind the scenes, but can take the lead whenever needed. Due to my profession and my businesses I have a very wide network of community connections. - **What else do you want us to know about you?**

My schedule may be a bit chaotic at times, but I'm a hard worker and I will also make time for the projects I'm passionate about and will help champion CAMBA to the best of my abilities.
